Mr. Le Quoc MINH (Member of the Party Central Committee - Editor-in-Chief of Nhan Dan Newspaper - Deputy Head of the Central Propaganda Department - Chairman of the Vietnam Journalists Association - Head of the Award Organizing Committee)

In the first year of its organization, the Human Act Prize 2023 left many special impressions when attracting more than 130 social projects to participate, leaving a pioneering mark of "heroes". " still silently and persistently works for the community to spread strongly.

Representatives who won the Human Act Prize shared their feelings

00:02:39

The emotional sharing of representatives of excellent projects was honored at the Human Act Prize 2023 Gala.

After receiving the award, Ms. Nguyen Xuan Tu - Executive Director of the HOPE (Hope) Fund was moved and shared: "I am very touched and happy to receive the prestigious award on behalf of the HOPE Fund. Today we was awarded the endurance category. This is our honor, honored because our long journeys throughout the past year on roads to very remote, rugged areas have been connected to spread We are still making efforts to promptly detect and support infrastructure in difficult areas, promote technology application ideas, start-up activities and raise community awareness."

Ms. Tu added: "At the award ceremony, I was extremely impressed with Mr. Le Quoc Minh's words: "If you do good deeds, don't hesitate, don't be shy to share your work and actions." ". I see that Vietnam's tradition of doing good deeds is also a long-standing tradition, but most people are doing it silently, this is the time I should follow Mr. Minh's advice for everyone."

Ms. Nguyen Xuan Tu - Executive Director of HOPE (Hope) Foundation knows that happiness is still simmering since the moment HOPE's name was honored at the awards ceremony.

Talking about his feelings after receiving the award for the promising category, Mr. Nguyen Hoanh Tien - Senior Vice President of MOMO - said: "We are very touched, very surprised and admire the participating faces and projects. participating in today's ceremony. We would like to thank the judges and organizers for recognizing MOMO's contributions to the community. The "Human Act Prize" is a very good initiative, The program helps spread the sense of community, is a place to connect all individuals and groups that have, are and will carry responsibility for the community in their journey. We will continue to commit to supporting and investing. Investing in community activities that can spread beautiful values in the future."

Mr. Nguyen Hoanh Tien - Senior Vice President of MOMO said that the "Human Act Prize" is a very good initiative, the program helps spread the sense of community, is a place to connect all individuals and groups. are and will carry responsibility for the community in their journey.

For Lieutenant Duong Hai Anh - Son La Provincial Police, wearing a police

uniform, he felt happy to have contributed to helping children in the highlands of Son La have full meals when going to school. "Very fortunate that the project "Raising Children in Moc Chau" participates in such a large national program. Today, I am honored to be the representative to receive the promising project award. Human Act Prize is not just a prize, this is also a place to connect and spread libraries of initiatives to support other volunteer groups to learn these initiatives and develop and replicate them on a national scale."

Lieutenant Duong Hai Anh - Son La Provincial Police was happy when the project "Raising Moc Chau Children" received the promising project award.

Attending the handover ceremony, Call Me Duy (Vu Duy) said that the scale of the program was very grand, attracting a large number of people's attention and followers. "Human Act Prize inspires a lot of people who are working day and night to act for the community. Following the award from the first days of its announcement, I myself have learned and been inspired a lot because I am very interested in medical products such as medicine for women and children, etc. I personally find this year's projects very impressive, but I really like your Medicine Cabinet project, which was established and solved. Many children's health problems.

"After the event, I realized that if you do volunteering, just do it, don't think you're young and don't have anything, wait until you have everything to do it. Give it your all, sometimes volunteering is just a simple thing." Simply for the community, it is to contribute health values to society." Duy shared more.
